

End of Life Notification - WinTime

hfx is announcing that WinTime will reach the end of its life on 1 December 2015.

Customers with valid support contracts using WinTime after its end-of-life date will receive support, to our best endeavour, however, hfx cannot provide any guarantees after that date.

Please note the following limitations:-

WinTime System is compatible up to Server 2003

WinTime Client is compatible up to Windows 7 (32 bit)

WinTime Web Client is compatible up to Internet Explorer 9.0

Our development efforts will be focused on our new generation system **Etarmis** which exceeds the WinTime capability, providing extensive customisable options, interfacing with major HR and other systems.

We will be in contact as soon as possible to discuss upgrade options and work with you to find the best solution.

If you have any questions in the meantime please do not hesitate to contact us by calling **01438 822170** or visit **www.hfx.co.uk** or email **sales@hfx.co.uk**
