Many of our customers have been using a variety of employee cards for several different applications, such as access control, time and attendance and cashless vending.

For some time, our systems have integrated time recording and access control. However, in response to increasing demand from our customers, we are able to provide integrated Access Control and Photo ID and our Photo ID Card Bureaux Service.

Design and Production

Photo ID Card Bureaux Service

- Full card design
- Design both the front and rear of the cards
- Quick response from order to delivery
- Create multiple card templates to identify groups (e.g. permanent, part time or temporary staff)
- Import your own pictures and logos

Integrated Access Control & Photo ID

- Assign employees photos and signatures using scanners or digital cameras
- Apply and print any card template you have created
- Use existing Logos's
- Sophisticated search capabilities
- Dualys (double sided) printers
- Fully integrated with the Access Control system
