Visitor Registration

Light touch, pure web & provided as a service

Visitor Registration

Light touch, pure web & provided as a service

The visitor kiosk solution has been designed to work on any 10" tablet, PC or laptop with easy touch screen controls and simplified interface.

It can record the visitor, host, company, car reg and contact email (optional) as well as card number if badges are also provided.

It will automatically email the visitor's host as well as registering the visitor as "on site" to ensure health and safety / mustering compliance.

Quick registration for recurring Visitors.

Provides key personnel an overview of all visitors.

Auto notification of departure.

The system is fully integrated into EveryOneCloud including Roll Call and mustering.

Benefits:

- Auto notification of arrival
- Simplified registration process
- Mustering, Roll call and Health Safety
- Reduced admin – works in a reception-free environment
- Multi-Site capable
- Car registration enables quick resolution of "car blocking" and car park management
- Fully integrated into EveryOneCloud
- SaaS low cost model
- Can be used with existing visitor cards
- Full Auditing
